

COROB™ MIXERS
*CLEVERmix series*Gyroscopical mixers -
automatic clamping
COROB™ CLEVERmix 550

The simple, yet effective, CLEVERmix 550 is a fully automatic gyroscopic mixer in the family of COROB™ products. It delivers a straightforward mixing experience.

- Patent-granted rotating mechanism technology
- Strong and effective working rotational mechanics for optimized paint mixing
- Streamlined design for fewer breakdowns and easy maintenance
- Extractable lower plate for can loading and unloading
- Sturdy shutter door for tough and repetitive use
- Intuitive control panel

An incredibly durable and reliable rotational mechanism enhances the overall operability of the machine. Powerful forces generated during the mixing cycle make it compatible for use with a wide variety of base products. The overall design and sturdy shutter door withstand tough and repetitive use in any type of working environment.

COROB™ CLEVERMIX 550

Programmable time and speed functions enhance mixing capabilities to satisfy the requirements of the selected base achieving a complete dispersion of colorant in the final product. There are three pre-set cycles and two additional customizable ones, allowing for mixing speed ranges of 95 to 180 rpm.

A wide front opening and extractable plate allow for easy loading and unloading of product while providing unhindered access for performing routine maintenance.

The CLEVERmix 550 is perfect for use in professional paint stores, tradecenters and large retail environments.

TECHNICAL DATA

MAXIMUM PRODUCT WEIGHT	40 kg
PRODUCT SIZE	
MINIMUM CAN HEIGHT	8 cm
MAXIMUM CAN HEIGHT	47 cm
MAXIMUM CAN DIAMETER	38 cm
MIXING TIME	From 1 to 30 min (1 min from 1>10 min; 5 min interval onwards)
TYPE OF CAN	Round / Square / Oval
DIMENSIONS (W X D X H)	80 X 79 X 101 cm
FOOTPRINT	0,63 m ²
WEIGHT (EMPTY)	190 kg
WEIGHT (WITH PACKAGING)	na
CLAMPING SYSTEM	automatic
MIXING SPEED	5 speeds [3 pre-set (from 95-180 rpm), 2 custom (from 95-120 rpm)]
MIXING MOTOR POWER	0,9 Kw
POWER SUPPLY	Single phase; 220-240 ± 10% / 110-120 ± 10% [optional]

CPS COLOR

CPS Color is the leading supplier of comprehensive tinting solutions. Our mission is to help manufacturers to achieve maximum added value on their products, whether these are architectural paints, industrial coatings, plastics or leather. Our range of COROB™ dispensers, shakers and mixers are recognized the world over for their quality, innovative technologies, accuracy, ease of use, repeatability and fast operation.

Global supplier of integrated tinting solutions:

- CPSCOLOR™ colorants
- COROB™ tinting equipment
- Software
- Color marketing
- Worldwide service and customer support
